Customer Advisory – Revision of Free Plug-in Days at SAPT

Dated: 24.09.2026

Dear Valued Customers,

Please be advised that, in line with the revised tariff policy at South Asia Pakistan Terminals (SAPT), the free plug-in entitlement for reefer containers will be revised as follows:

Effective Date: For all export shipments loaded from SAPT on vessels with ETD on or after 01 November 2026.

Free plug-in period will be reduced to 1 (One) Day only.

Any plug-in usage beyond the free period will be subject to charges as per tariff.

Customers are requested to plan their cargo delivery and terminal arrangements accordingly to avoid additional costs.

We kindly request all customers to take note of this change and ensure necessary measures are taken for shipments moving through SAPT from the effective date onwards.

Should you require any further clarification, please contact your respective COSCO Shipping Lines representative.

Best Regards,

COSCO Shipping Lines Pakistan (Pvt.) Ltd.
